Our boats drive right inside the port next to the container ships take you where no other boat can go – right up inside the container ship terminal!

You will witness not only the biggest container ships in the world in action but also tug boats, refuelling, pilot boats and massive cranes overtop. Your tour guide, Jess Hargraves (owner of HK Yachting) has years of experience in the boating and shipping industry in Asia and will give you an insider's view of the port. We promise to blow your mind.
